## Fall and Winter Reminders

Every Monday in October and November, Lorain Borough employees will pick up leaves that are in garbage bags and left curbside. Lorain Borough employees will not pick up loose leaves that are "raked" curbside—NO EXCEPTIONS WILL BE MADE. Garbage bags with only leaves will be picked up; bags that are thought to contain any items other than leaves will not be taken. Please have your bagged leaves curbside by 7 AM Monday morning to ensure pick up.

REMINDER—THE BOROUGH WILL NOT BE COLLECTING BRUSH AND BRANCHES.

With winter weather is just around the corner you can be assured that Lorain Borough employees will be striving to keep the roadways clear. Many of the roads in the Borough are very narrow, so please remember to park closely to the curb if you park on the street so that the plow truck can get through. Remember the plow truck has the right of way all the time. If your vehicle is obstructing the road cleaning you will be towed.

Also, Please do not park in "No Parking" areas, this is not only illegal, but especially dangerous during the winter months. Also, please remember to shovel your sidewalks and to NOT shovel your snow into the street. Thank you for doing your part in keeping the roads and sidewalks clear during the winter season.
