*******REMINDER ABOUT DOGS*****IMPORTANT*******

State Law requires that all dogs be licensed and kept **on a leash or behind a fence** at **ALL** times, **NO EXCEPTIONS**. This is an on going issue through out the borough. There are time where people are properly walking their dogs on a leash when residents dogs that are not leashed or fenced are running on to the street after those people. This is unacceptable and will be enforced heavily this year. If you are one of these folks I would advise you correct your actions and re-educate yourself with state laws. If you have a neighbor that doesn't leash or chain their dogs in their yard please notify the Lorain Borough Council or the Stonycreek Township Police Department.

Dogs running loose even in your own yard with out a fence, excessively barking and relieving themselves on other people's property is considered a nuisance and will be addressed in accordance with Ordinance #226 along with the state regulations on dog leashing. If you are out walking your dog, please remember to clean up any mess it may leave behind. We encourage all residents to report all nuisances and leash law violations to the Lorain Borough Council or contact the Stonycreek Township Police Department through the Cambria County non-emergency number 814-472-2100. Do your part to keep the neighborhood clean and keep you neighbors happy!
